

FABRIC CARE AND CLEANING

The following information is provided only as a service and should not be interpreted as a warranty. Cleaning and spot cleaning results may vary in individual cases. Always test the fabric for discoloration on an inconspicuous part of the furniture before spot cleaning. If there are any questions, consult a professional dry cleaner.

Cleaning Code “S” - Clean with solvents (petroleum distillate based products). Professional dry cleaning is recommended. Caution: Water or detergent-based cleaners may cause shrinking. Prevent overall soil by vacuuming or light brushing.

Cleaning Code “W” - Clean with water-based cleaning agents or foam. Caution: Household cleaning agents may be harmful to the color and life of this fabric. Professional dry cleaning is recommended. Prevent overall soil by vacuuming or light brushing.

Cleaning Code “SW” – Clean this fabric with water-based cleaning agents, foam pure solvents (petroleum distillate based products). Professional dry cleaning is recommended. To prevent overall soil, frequent vacuuming or light brushing to remove dust and grime is recommended.

PROFESSIONAL CLEANING

Ferrante Upholstering & Carpeting Inc. offers professional furniture cleaning service. We hand clean upholstered furniture with our special formula. We will test formula on an obscure area. This method is safe on most commercial and residential fabrics, synthetics and natural fibers including silks, velvets and cottons.
